FOIA RESPONSE: 195813

Dear Mr. Chapman:

Thank you for writing to the Chicago Fire Department with your request for information pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/1 et seq.

On July 10, 2019 the attached request was received. The CFD sought an extension on July 17, 2019, July 24, 2019, August 14, 2019, August 29, 2019, September 16, 2019 and is now responding to your request. In your request, you sought the following:

*Agreements that were created to satisfy the statutory requirement from (5ILCS 220/)
Intergovernmental cooperation Act and other acts which include references to
intergovernmental agreements, their creation, or maintenance.*

Please be advised that your request has been granted in part. After a careful review of the material responsive to your request, we have determined that portions of the responsive documents are exempt pursuant to Section 7(1)(v) of FOIA, which exempts:

Vulnerability assessments, security measures, and response policies or plans that are designed to identify, prevent, or respond to potential attacks upon a community's population or systems, facilities, or installations, the destruction or contamination of which would constitute a clear and present danger to the health or safety of the community, but only to the extent that disclosure could reasonably be expected to jeopardize the effectiveness of the measures or the safety of the personnel who implement them or the public. Information exempt under this item may include such things as details pertaining to the mobilization or deployment of personnel or equipment, to the operation of communications systems or protocols, or to tactical operations.

Pursuant to 5 ILCS 140/7(1)(v), the responsive records constitute vulnerability assessments, security measures and response plans and their release could jeopardize the effectiveness of the security measures.

CHICAGO FIRE DEPARTMENT
CITY OF CHICAGO

Some documents are also exempt pursuant to Section 7(1)(f) of FOIA 5 ILCS 140/7(1)(f), which exempts from disclosure, "preliminary drafts, notes, recommendations, memoranda and other records in which opinions are expressed, or policies or actions are formulated, except that a specific record or relevant portion of a record shall not be exempt when the record is publicly cited and identified by the head of the public body." Relative documents withheld include pre-decisional documents in order to determine a course of action, draft e-mails, draft general and/or medical orders and memorandums.

Please be advised, each City Department is a "public body" under Section 2 of FOIA, 5ILCS 140/2(a). See Duncan Publishing, Inc. v. City of Chicago, 304 Ill. App. 3d 778, 784,709 N.E. 2d 1281, 1286 (1st District. 1999) ("Clearly, each of the individual departments are subsidiary bodies of the City and are 'public bodies' as defined by the FOIA.") A FOIA request must be directed to the department that maintains the record you are seeking. As a result, we will be unable to accommodate your request as the Chicago Fire Department is not the keeper of the requested documents.

To the extent that your FOIA request has been denied, you have the right to have a denial reviewed by the Public Access Counselor (PAC) at the Office of the Illinois Attorney General, 500 S. 2nd Street, Springfield, Illinois 62706, (877) 299-3642. You also have the right to seek judicial review of your denial by filing a lawsuit in Cook County Circuit Court.

Sincerely,

Cynthia Linzy

This is a follow up to a previous request:

The records that I am seeking are those agreements that were created to satisfy the statutory requirements from (5 ILCS 220/) Intergovernmental Cooperation Act and other acts which include references to intergovernmental agreements, their creation, or maintenance. Of note, (5 ILCS 220/3.2). I am not sure how much further narrowing you'll need, as these are standard agreements throughout Illinois that should be readily available to maintain statutory requirements. Please reach out to the respective director, as defined by the Intergovernmental Cooperation Act.

Furthermore, the records responsive to this request will be used to build a greater public understanding of Chicago's decisions, policies, procedures, rules, standards, and other aspects of government activity that affect the conduct of government and the lives of any or all of the people. As such, I humbly ask that the unduly burdensome exemption be waived, as the public interest greatly outweighs the burden on the public body. Consider that the burden is placed on the public body to show that the burden on the public body is outweighed by the public's interest.
